Aster Volunteers Mission Tumaiya

#Volunteerbeyondliving

Dr. Shifa Hussain, Managing Director, UAE & Group CEO of Aster DM Healthcare, visited the Aster Volunteers Mission Tumaiya on Friday, 23rd January 2026, to interact with the volunteers and their families and witness firsthand the impact of the mission's community outreach initiatives. Dr. Shifa Hussain also inaugurated a handicraft stall by Vanitha Unit members and visited the Healing Hut, which showcased a wide range of medical services.

Aster Volunteers Mission Tumaiya is a community initiative that provides free medical consultations, medicines, and essential support to underprivileged families. These events aim to bring healthcare closer to those who need it the most, reflecting the broader vision of Aster Volunteers to consistently bringing essential care and support to the communities they serve.
