

United in sharing the bond of life
#WorldBloodDonorDay2023

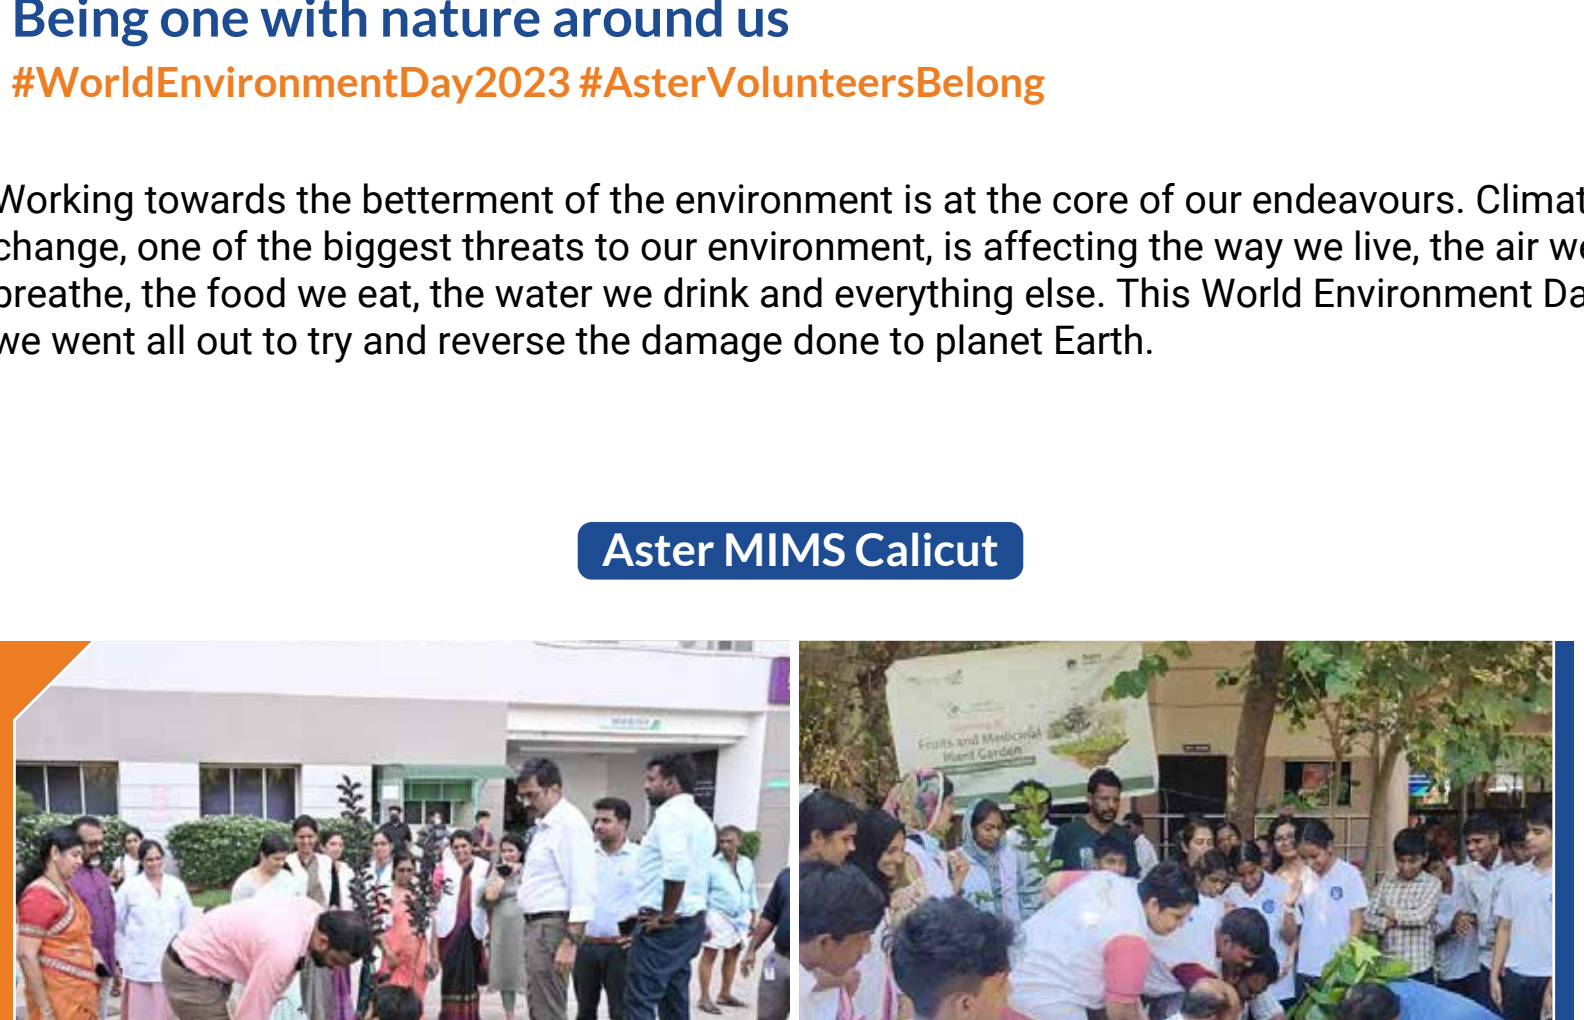

World Blood Donor Day 2023 witnessed the remarkable efforts of Aster Volunteers as we organized mega blood donation camps across geographies. The response from donors was truly overwhelming with a significant number of individuals stepping forward to contribute.

As a result, the campaign achieved an extraordinary feat by registering over **800 blood donations** in the month of **June 2023** mostly in Aster Facilities engaging our own internal volunteers throughout India and the GCC. We express our deepest gratitude to all the generous donors whose participation played a pivotal role in making this initiative an immense success. We would also like to extend a resounding applause to the units that actively participated and the dedicated volunteers who ensured the seamless execution of the event.

Instilling compassion at a young age
#AsterVolunteersCoach

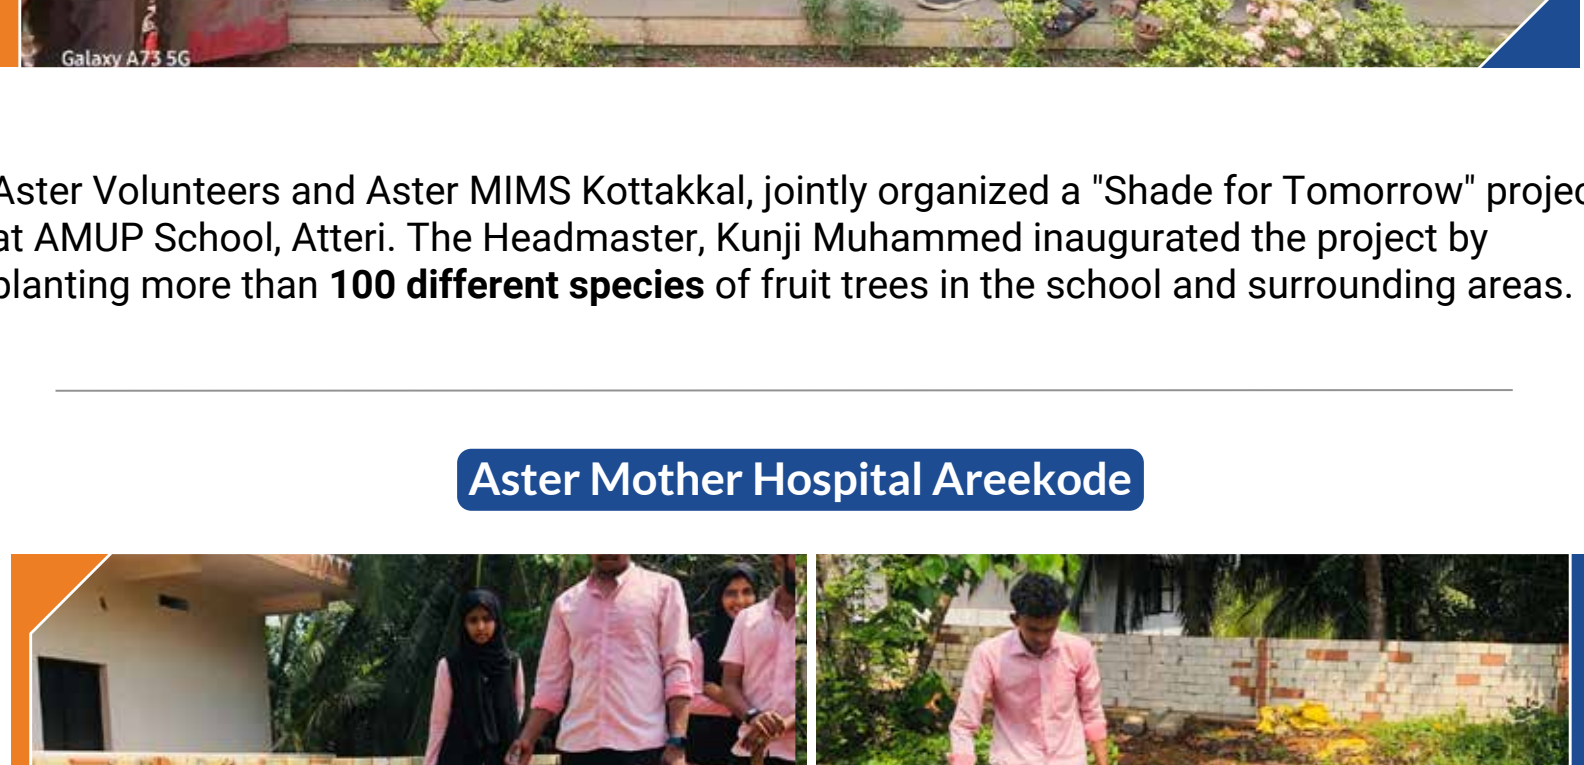

In a collaborative effort, Aster Volunteers and Aster Medcity Kochi organized a special lecture and interactive session on the topic of volunteering. The event took place at Rajagiri College of Social Sciences in Kalamashery and KMEA college of Arts and Science Aluva.

The lecture and interactive session served as a platform for students to learn about the importance of volunteering and its impact on society. It provided valuable insights and encouraged the students to actively engage in volunteering efforts. A total of **60 students** from Rajagiri College and **75 students** from KMEA college of Arts and Science attended the engaging session led by Mr. TP Seetharam, India CSR Head, Aster Volunteers and Mr. Latheef Kasim, Assistant General Manager (AGM), Aster DM Foundation India.

Being one with nature around us
#WorldEnvironmentDay2023 #AsterVolunteersBelong

Working towards the betterment of the environment is at the core of our endeavours. Climate change, one of the biggest threats to our environment, is affecting the way we live, the air we breathe, the food we eat, the water we drink and everything else. This World Environment Day, we went all out to try and reverse the damage done to planet Earth.

Aster MIMS Calicut

Aster Volunteers and Aster MIMS Calicut commemorated World Environment Day through a series of diverse programs and initiatives:

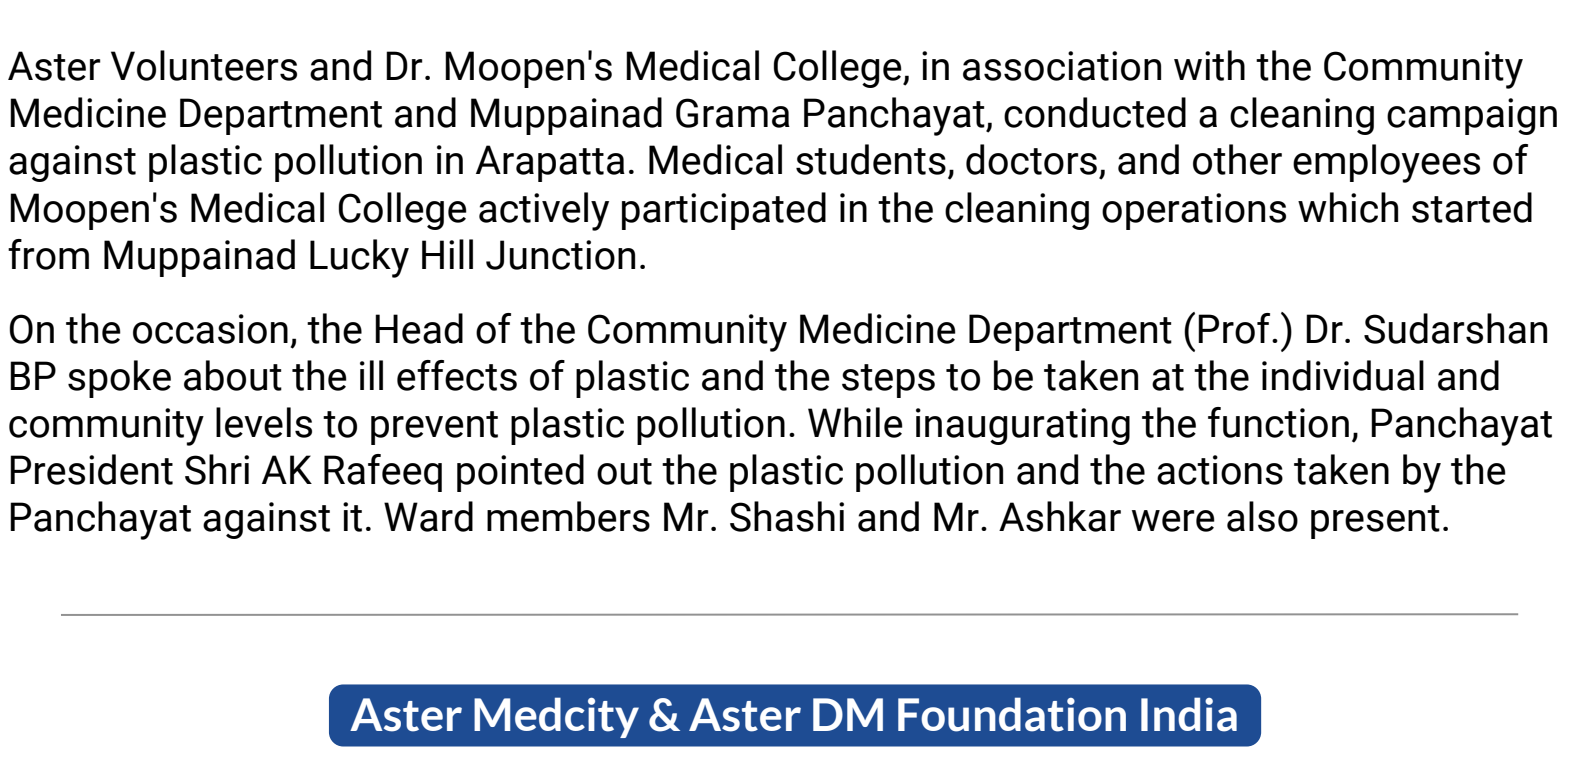

- Aster Volunteers, Student Police Cadets (SPC), NSS Volunteers and PTA members launched the Fruits and Medicinal Plants Garden at Govt. Model Higher Secondary School, Mananchira, Kozhikode.
- Conducted Environment Day Observance at Aster MIMS Calicut by planting shade trees on the campus. The program was led by various Department Heads and Managers.
- Aster Volunteers and NSS Volunteers planted Mango Saplings at Government Model School, Meenchanda, Kozhikode.

Aster MIMS Kannur

Aster Volunteers and Aster MIMS Kannur marked World Environment Day by cleaning up plastic waste at **Payyambalam Beach** and created a garden within the hospital premises.

Aster MIMS Kottakkal

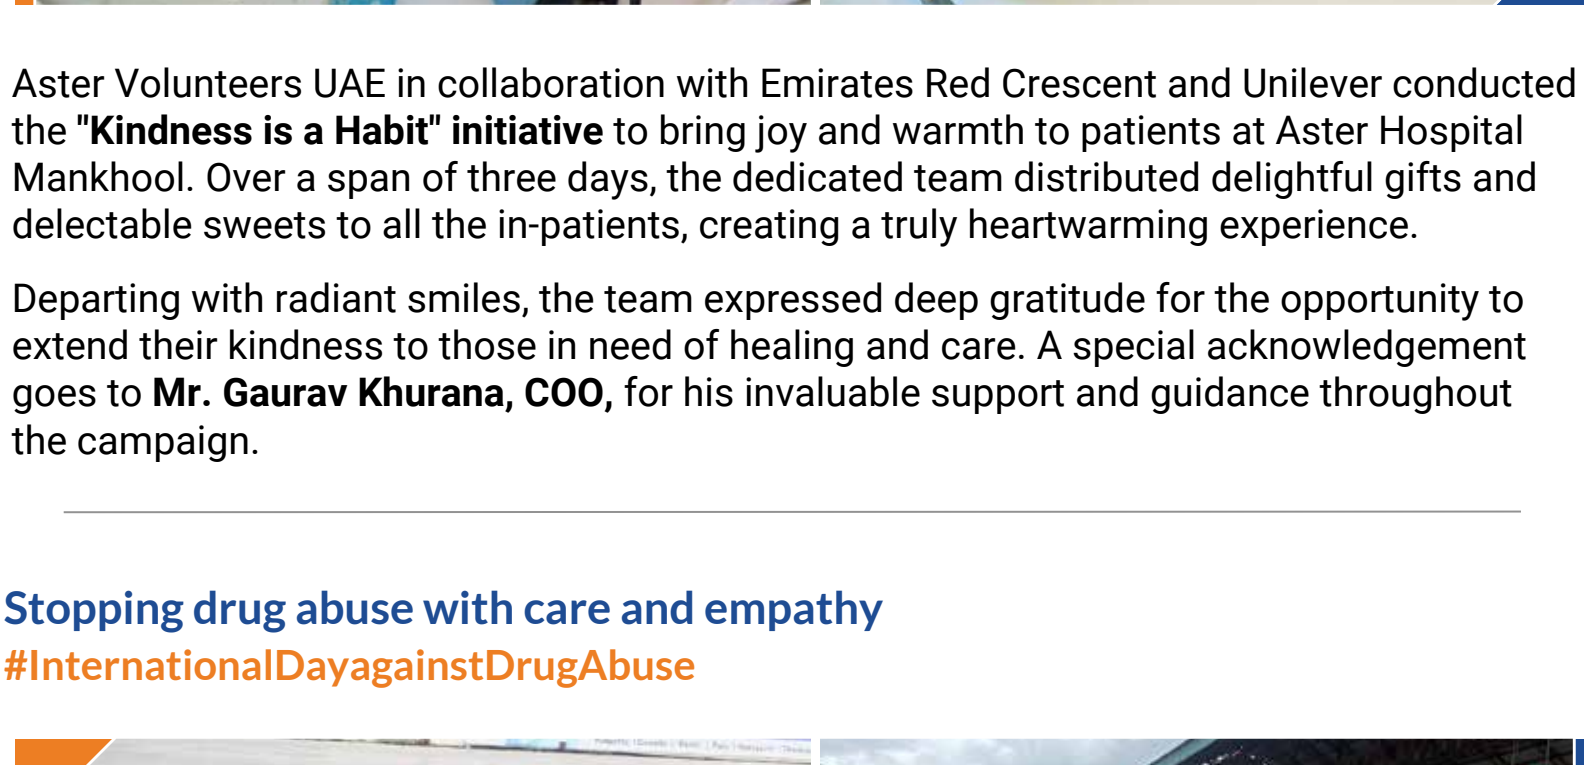

Aster Volunteers and Aster MIMS Kottakkal, jointly organized a "Shade for Tomorrow" project at AMUP School, Atteri. The Headmaster, Kunji Muhammed inaugurated the project by planting more than **100 different species** of fruit trees in the school and surrounding areas.

Aster Mother Hospital Areekode

Aster Volunteers and Aster Mother Hospital Areekode along with the National Service Scheme of Sullamussalam Science College, Areekode joined hands to plant saplings along the Areekode-Edavannappara Road. **100 trees** were planted to reverse the damage done. Areekode Grama Panchayat president, Mr. Abu Haji inaugurated the event by planting the first sapling.

Aster Prime Hospital Hyderabad

Aster Volunteers Mobile Medical Services Hyderabad in partnership with Ashok Leyland and National Institute for Micro Small and Medium Enterprises (NI-MSME) conducted a **Tree Plantation Programme** at Yousufguda, Hyderabad. The drive witnessed over **40 sapling plantations**.

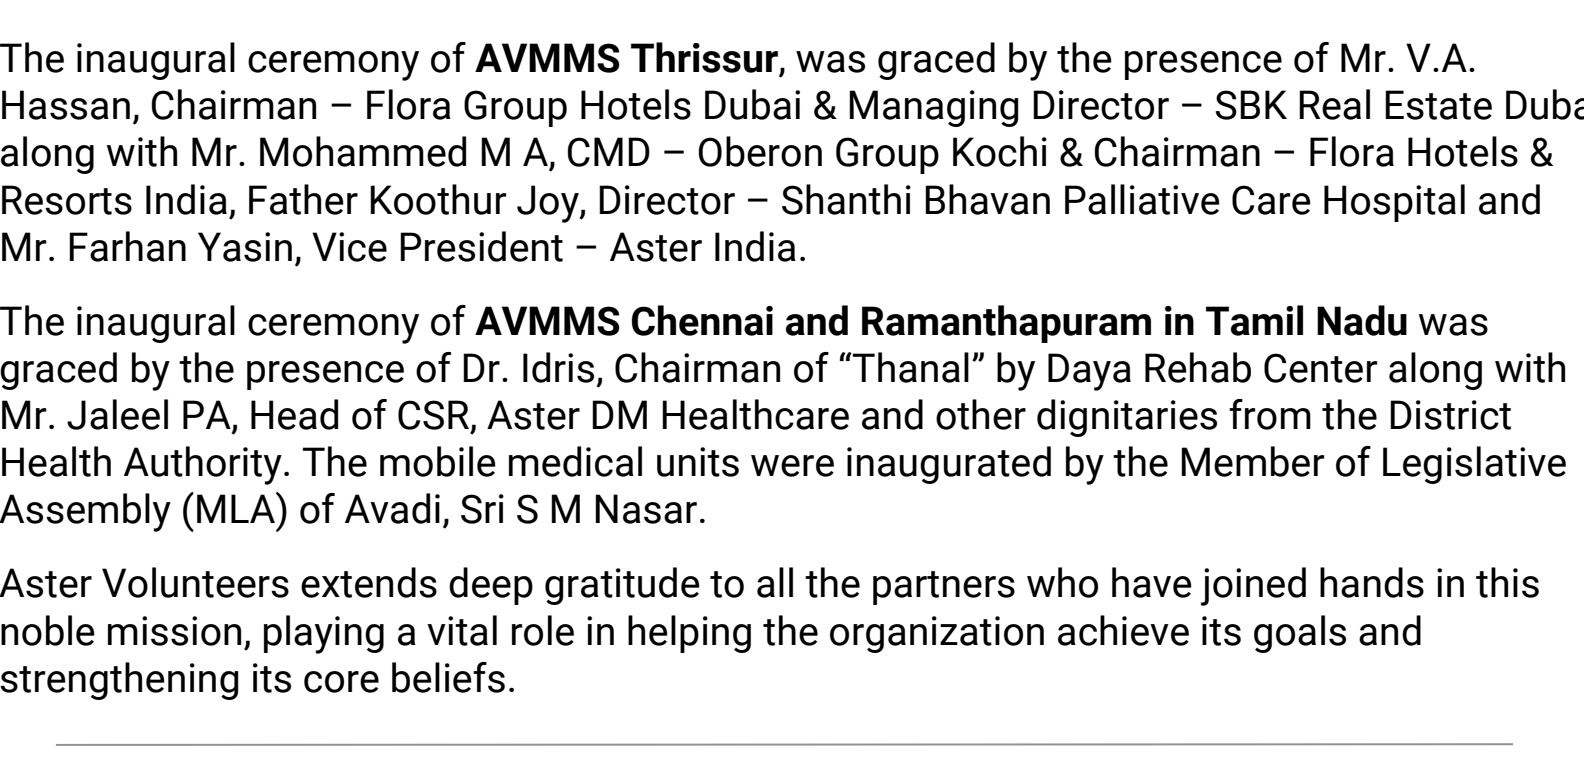

Dr. Moopen's Medical College Wayanad

Aster Volunteers and Dr. Moopen's Medical College, in association with the Community Medicine Department and Muppainad Grama Panchayat, conducted a cleaning campaign against plastic pollution in Arapatta. Medical students, doctors, and other employees of Moopen's Medical College actively participated in the cleaning operations which started from Muppainad Lucky Hill Junction.

On the occasion, the Head of the Community Medicine Department (Prof.) Dr. Sudarshan BP spoke about the ill effects of plastic and the steps to be taken at the individual and community levels to prevent plastic pollution. While inaugurating the function, Panchayat President Shri AK Rafeeq pointed out the plastic pollution and the actions taken by the Panchayat against it. Ward members Mr. Shashi and Mr. Ashkar were also present.

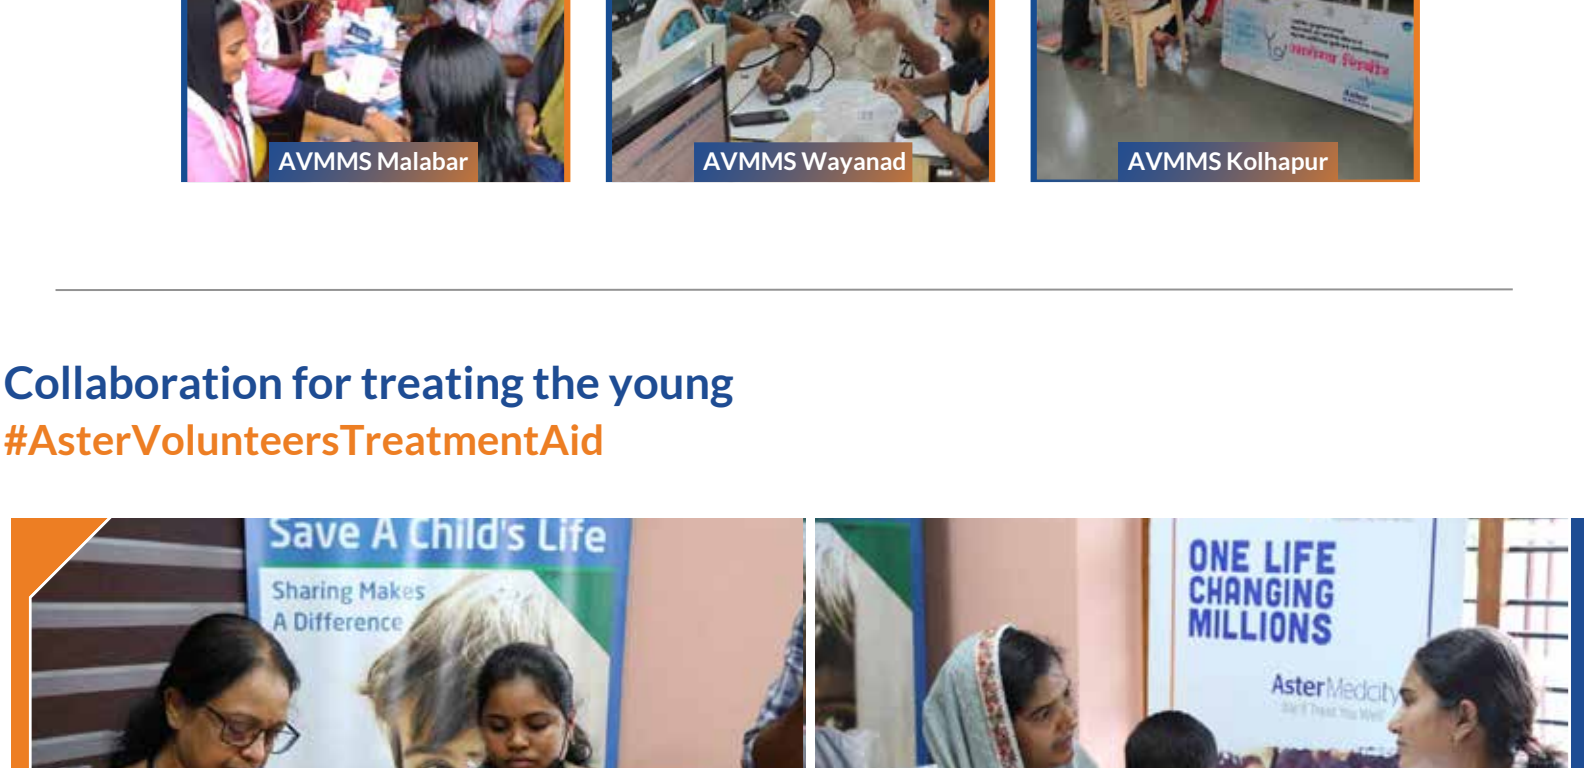

Aster Medcity & Aster DM Foundation India

Aster Volunteers and Aster Medcity along with Aster DM Foundation collaborated to honour the renowned environmentalists **Mr. Murukesh** and **Mr. Manoj**.

Mr. Murukesh has planted almost **1 lakh mangrove saplings** on the seashore of Vypeen, the most densely populated area of the Asian continent. Mr. Manoj is also a well-known environment activist who is working in the field of planting and nurturing natural forests. Aster Volunteers Kochi planted **50 fruit tree saplings** on a one-acre land provided by Mr. Manoj to create a natural forest.

Aster RV Hospital Bangalore

Aster Volunteers and Aster RV Hospital engaged in cleaning activities surrounding the hospital areas on World Environment Day.

Gifted compassion and care along with a sweet gesture
#KindnessIsaHabit

Aster Volunteers UAE in collaboration with Emirates Red Crescent and Unilever conducted the **"Kindness is a Habit"** initiative to bring joy and warmth to patients at Aster Hospital Mankhool. Over a span of three days, the dedicated team distributed delightful gifts and delectable sweets to all the in-patients, creating a truly heartwarming experience.

Departing with radiant smiles, the team expressed deep gratitude for the opportunity to extend their kindness to those in need of healing and care. A special acknowledgement goes to **Mr. Gaurav Khurana, COO**, for his invaluable support and guidance throughout the campaign.

Stopping drug abuse with care and empathy
#InternationalDayagainstDrugAbuse

Aster Volunteers from Dr. Moopen's Medical College and Dr. Moopen's Nursing College (Wayanad) actively participated in a mass awareness rally and flash mob organized by Wayanad District Administration and Excise Dept on the International Day against Drug Abuse and Illicit Trafficking.

The campaign aimed to promote respect and empathy towards individuals struggling with drug addiction. District Collector Dr. Renu Raj IAS and Adv. T Siddique MLA, inaugurated the event in the presence of other dignitaries.

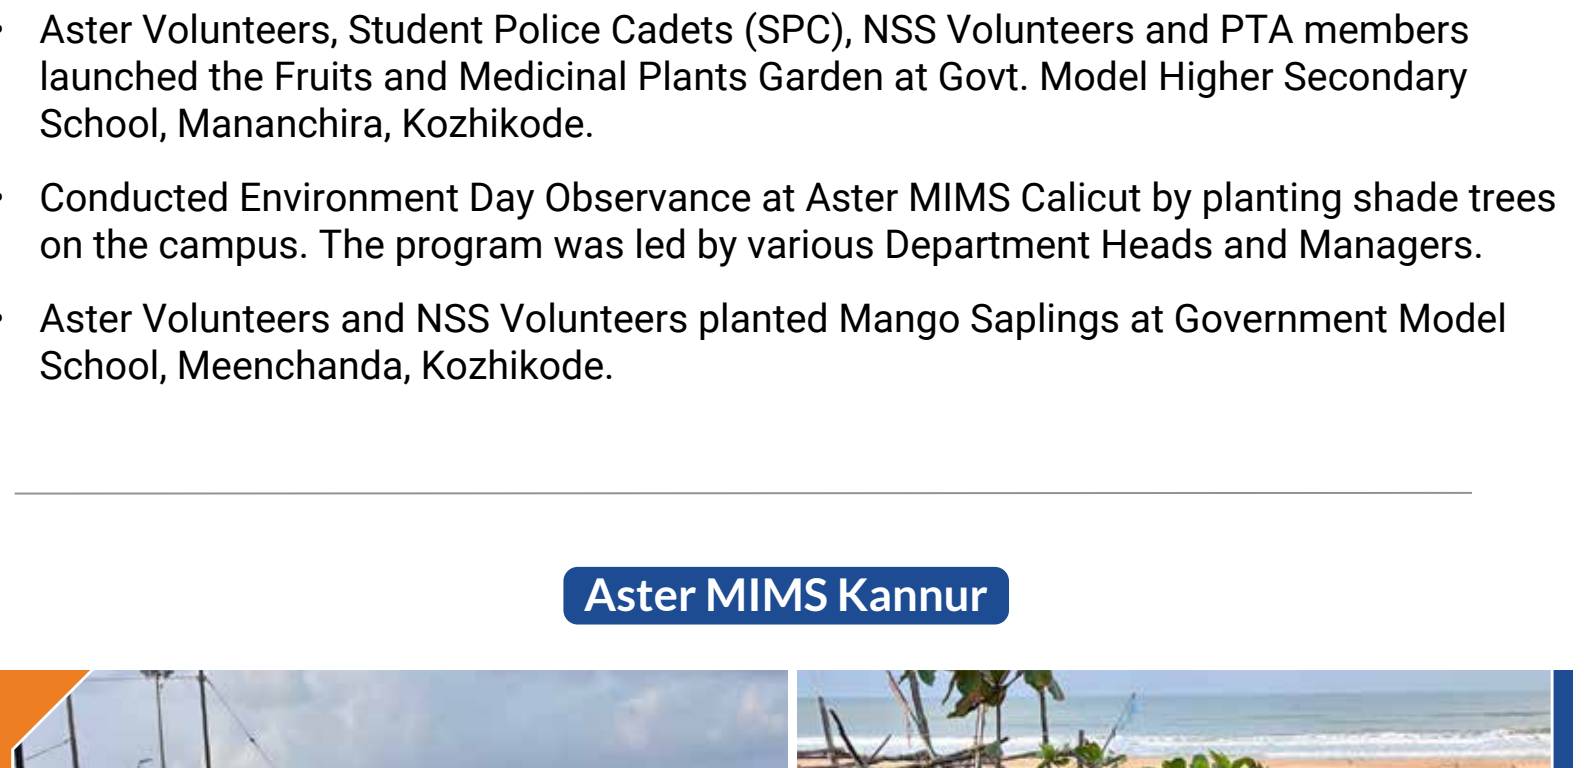

Empowering the future with Education
#AsterVolunteersCoach
