

Aster Adhar Team Provides Crucial Disaster Management Support During Kolhapur Floods

#AsterVolunteersDisasterAid

In our dedicated endeavours for disaster relief, the Aster Volunteer team has made a significant impact, directly reaching out to over **1400 lives** in the span of seven consecutive days in the last month. Amidst the torrential rains that engulfed the catchment area of Kolhapur, numerous families found themselves uprooted. During this trying time, it became an arduous task for the city officials to ensure not only their safety but also their overall well-being.

Complementing the city's exhaustive efforts, volunteers stepped in to provide essential aid in the form of food, blankets, medicines, and health assessments. These measures were particularly important as displaced citizens are prone to contracting vector-borne diseases under such circumstances. Our dedicated team displayed unwavering commitment, working tirelessly to offer some solace to those who had been displaced.

Aster Volunteers and Peace Valley Unite to Conduct Medical Camp in Remote Uriyampetti Tribal Settlement

#MissionTribalCamp

Aster Volunteers in collaboration with the District Legal Service Authority and the NSS Unit of Cochin University, and Peace Valley joined hands to organize a crucial medical camp.

The team embarked on a challenging journey to reach the campsite at Uriyampetti Tribal settlement, nestled deep within a forest and encircled by the Periyar river. Due to incessant rainfall and flooding persisting for the last **96 hours**, the area had become detached from the mainland. Despite the obstacles, the team successfully served **30 families**, encompassing both children and adults, offering vital medical services and essential medicines.

The inauguration of the camp was carried out by Sri. Ranjith Krishnan, Sub Judge and Secretary of the District Legal Service Authority. Dr. Syam Mohan, RMO of AV MMS Kochi, led the medical team in this humanitarian endeavour."

Aster MIMS Calicut Extends Healing Hands: 100 Children Battling Cancer to Receive Free Treatment

#AsterVolunteersTreatmentAid

Aster MIMS Hospital in Calicut proudly reaches a significant milestone as it collaborates with the Aster MIMS Charitable Trust to achieve the successful transplantation of **100 bone marrow** cases in a remarkably short span. This achievement marks not only a medical triumph but also a testament to the hospital's commitment to bettering lives.

On this remarkable occasion, a day was dedicated to celebrating the recovery of patients who underwent bone marrow transplantation and emerged victorious in their fight against adversity.

Adding another layer of compassion to this achievement, Aster Volunteers and Aster MIMS Calicut have initiated a heartwarming program. In partnership with the Aasim Velimanna Foundation, they have extended a helping hand to **100 underprivileged** children afflicted by cancer. These children will receive free treatment, underscoring Aster MIMS Calicut's dedication to making a difference in the lives of those in need.
