## Asterians celebrate Kindness is a Habit

The profound impact of kindness within workplaces, transcends beyond mere work duties, and builds a healthy environment. In an effort to strengthen bonds between coworkers, Aster Volunteers organized a fun lunch event where Asterians brought lunch for each other. We saw enthusiastic participation and lunch halls filled with laughter across hospital units.

## Aster Volunteers organized Noor to celebrate Emirati Women's Day 2023

#AsterVolunteersBelong

We honor the strength, resilience, and remarkable achievements of Emirati women, who continue to inspire and lead the way in various fields. In honour of **Emirati Women's Day**, Aster Volunteers organized "Noor" to acknowledge the role of women in the progress of the UAE nation. The program is a tribute to their invaluable contributions to society, from business and government to education, healthcare, arts, and beyond.

## Campaign Against Drugs by Aster CMI Hospital Bangalore

#AsterVolunteersBelong

Aster CMI Hospital Bangalore along with Aster Volunteers together with Bangalore City Police, Aarohan Foundation, and other organizations, launched a campaign to encourage college students and young people to say **NO TO DRUGS**.

Respected visitors, including Mr. B. Dayanand, IPS (Commissioner of Police, Bangalore Police), Mr. Raman Gupta, IPS (Additional Commissioner, Bangalore Police), and Mr. Laxmi Prasad, IPS (Deputy Commissioner, Bangalore Police), were present in the police marshal inaugural ceremony. Mr. Raman Gupta, IPS wrote a letter of appreciation for Aster CMI Hospital Bangalore & Aster Volunteers recognising their involvement as a health partner in this significant initiative.

## Livelihood support program by Aster MIMS Calicut

#AsterVolunteersBelong

Aster Volunteers Malabar and Aster MIMS Charitable Trust provided livelihood support to **Mr. Abdul Azeez**, who has been a street vendor in Palayam Market for the past thirty years and uses the same old wheelbarrow that he bought decades back. The wheelbarrow was completely worn out and beyond repair.

He approached Aster MIMS Charitable Trust to purchase a new wheelbarrow for fruit selling and starting supplies to launch a new business. The Aster MIMS Charitable Trust financed a custom-made new wheelbarrow as well as an initial stock of fruits and a weighing equipment for everyday use.

## Aster CMI Hospital extended Basic Life Support (BLS) training

#AsterVolunteersCoach

A Basic Life Support (BLS) training session was held for the sixth- through eighth-graders and staff at the Government Higher Primary School in Bettakote by Aster Volunteers from the Aster CMI Hospital Bangalore in collaboration with Bangalore International Airport Limited.

About **100 participants** attended the session, which was led by ACLS providers. The kids participated in the training session proactively. The vital life-saving techniques that were covered throughout the course were actively learned by them. The BLS programme sought to provide both the students and the staff with the knowledge and abilities needed to react appropriately in emergency situations.

## Aster MIMS Kottakkal conducted mega Basic Life Support (BLS) & First Aid training

#AsterVolunteersCoach

The National Green Corps & Junior Red Cross Cadets of Govt. Vocational Higher Secondary School, Chettiyanthor received Mega BLS & First Aid training from Aster Volunteers Kottakkal. The training programme included a variety of unplanned tragedies that people might face, including car accidents, height falls, cardiac arrest, food getting into windpipes, snake bites, and spinal cord injuries. A total of **189 members** took part in this program.

## Aster Medcity Kochi has begun two batches of the GDA Course

#AsterVolunteersCoach

Aster Medcity Kochi has offered two batches of GDA courses with a job guarantee to **50 unemployed youth** from a certain socio-economic background. The training programme was begun by the lighting of the lamp by **Sri Hibi Eden MP, Ernakulam**. Senior doctors, senior HR officials, and the CNO guided the occasion with their attendance. The trainees and their parents also attended the function.

## Cloth collection and recycle by Aster MIMS Calicut

#AsterVolunteersAid

Aster Volunteers Calicut collected unwanted garments stored in households in partnership with the Green Worms organization. The garments which are often discarded across households can be upcycled in multiple ways. Therefore, your old garments can be given to someone else in a meaningful way. Such textiles are being used in the Kozhikode area and in collaboration with **Green Worms**, an organization that supports **safe and scientific waste management projects** as well as awareness programs for a trash-free Kerala.

## 4 days mission mode medical screening at Marayoor & Kanthalloor

#AsterVolunteersTreatmentAid

Aster Sick Kids (ASK) Foundation, Aster Volunteers Mobile Medical Services (AVMMS) Kochi partnering with Aster Medcity Kochi & Peace Valley successfully conducted 4 days medical camp at different locations of **Marayoor & Kanthalloor**, Sandalwood sector of Kerala for the Paediatric and General population of tribal & Tamil community.

On the final day, the camps were at VFPCCK Hall, Kanthalloor, Aided Lower Primary school Kanthalloor & Keezhanthoor Grama in association with Santhwanam Charitable Trust Idukki.

A total **213 beneficiaries** including children availed the services. Dr. Syam Mohan (RMO - AV MMS Kochi), and Dr. Durga (Paediatrics) from Aster Medcity led the medical team.

The 4-day mission resulted in a total number of **808 people** including children who are living at the remote villages of Idukki district getting benefitted.

## Care on Wheels

#AsterVolunteersMobileMedicalService

Aster Volunteers Mobile Medical Services (AVMMS) conducted **421 medical camps** across geographies and reached out to **28,197 beneficiaries** in August 2023.

The objective of this service is to provide quality healthcare to underserved segments of society and enhance their well-being and happiness.

## Making Miracles Happen

#AsterVolunteersTreatmentAid

At the core of our values is the conviction that every child deserves proper healthcare and a life of well-being.

We consistently take the initiative to provide assistance and allocate resources to those who struggle to obtain high-quality medical support. In August 2023, we donated **INR 51,28,000** towards the Aster Volunteers Treatment Aid, benefiting **460 beneficiaries**.
