

World Environment Day

#AsterVolunteersBelong

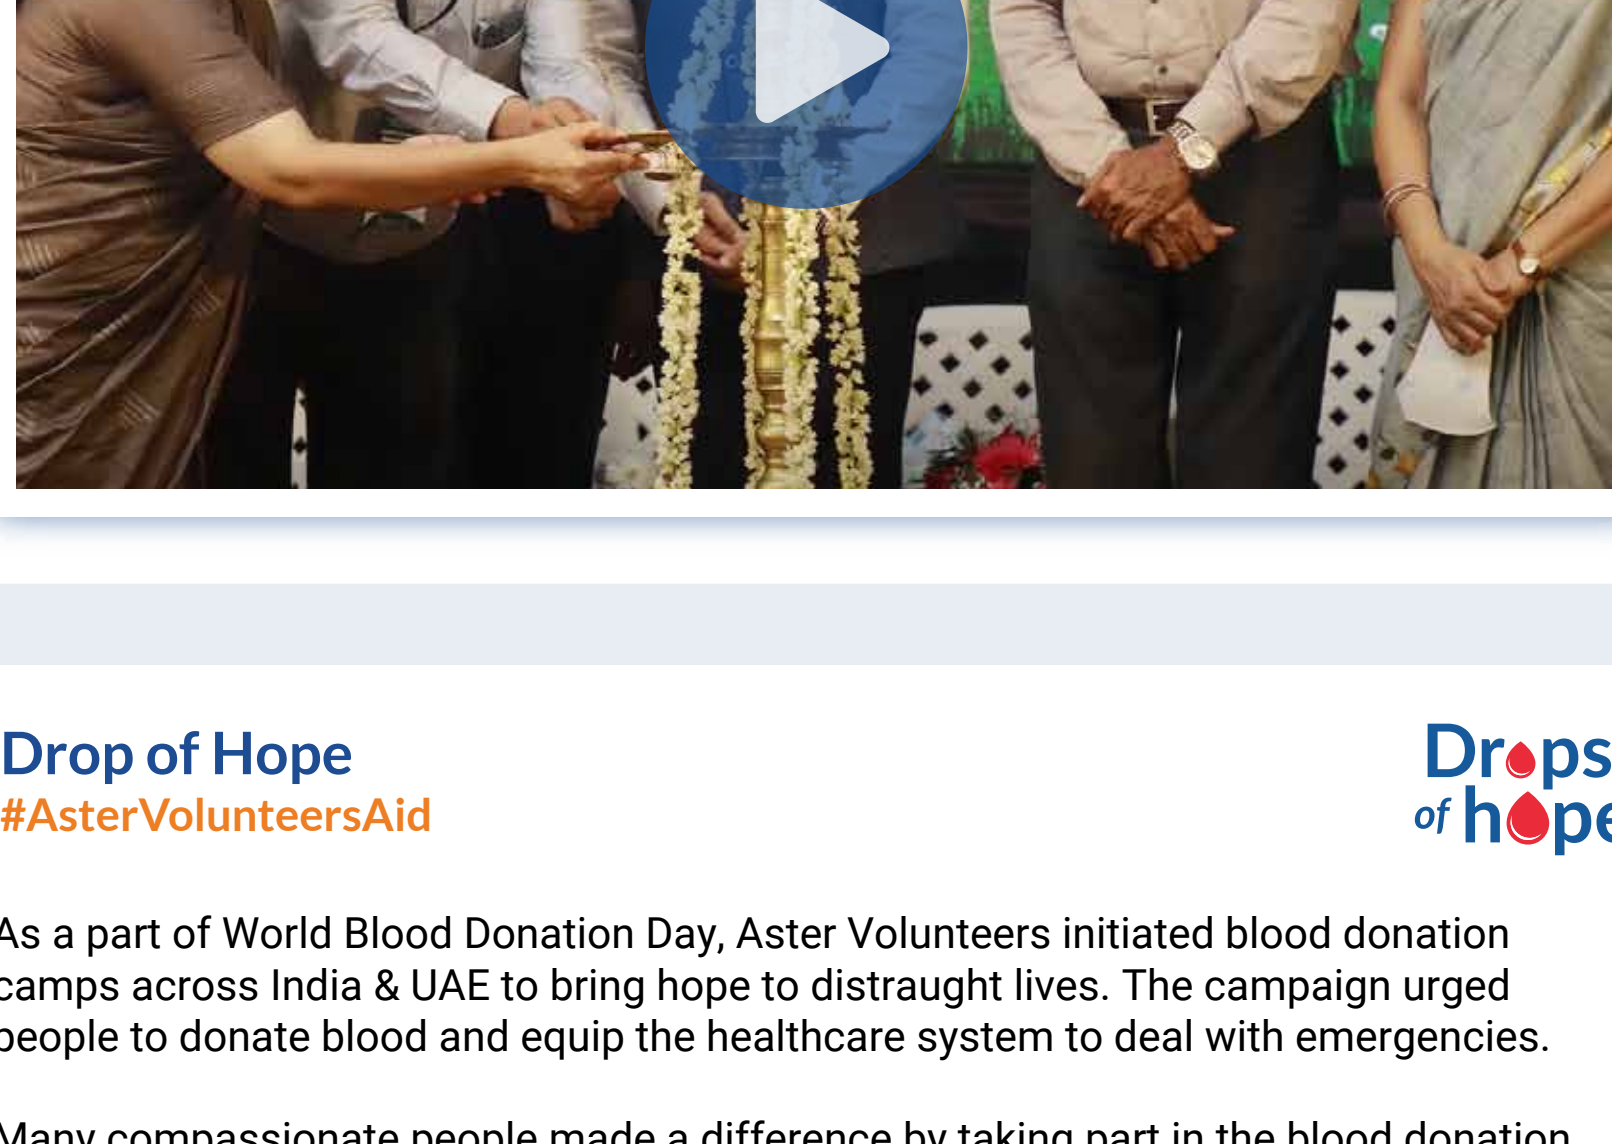

Aster Green Choices

In the wake of the rising global climate crisis and loss of biodiversity, the Aster family took several green initiatives and made green choices to tackle them on World Environment Day 2022.

Dr. Moopen's Medical College inaugurated the Naseera Botanical Garden in Wayanad. Aster MIMS Kottakkal, Aster Hospitals Bangalore and Aster Hospital Kolhapur expressed its concern for a greener and sustainable world by distributing saplings. To encourage the protection of environmental resources and save landfill spaces, Aster Volunteers UAE planted 7 collection boxes across Aster Hospitals and Medcare Hospitals UAE to recycle old newspapers into better and more useful products.

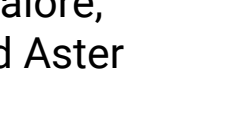

Every unit from Aster DM Healthcare is working towards a goal and the goal is to make this world healthier and greener for the future.

Drop of Hope

#AsterVolunteersAid

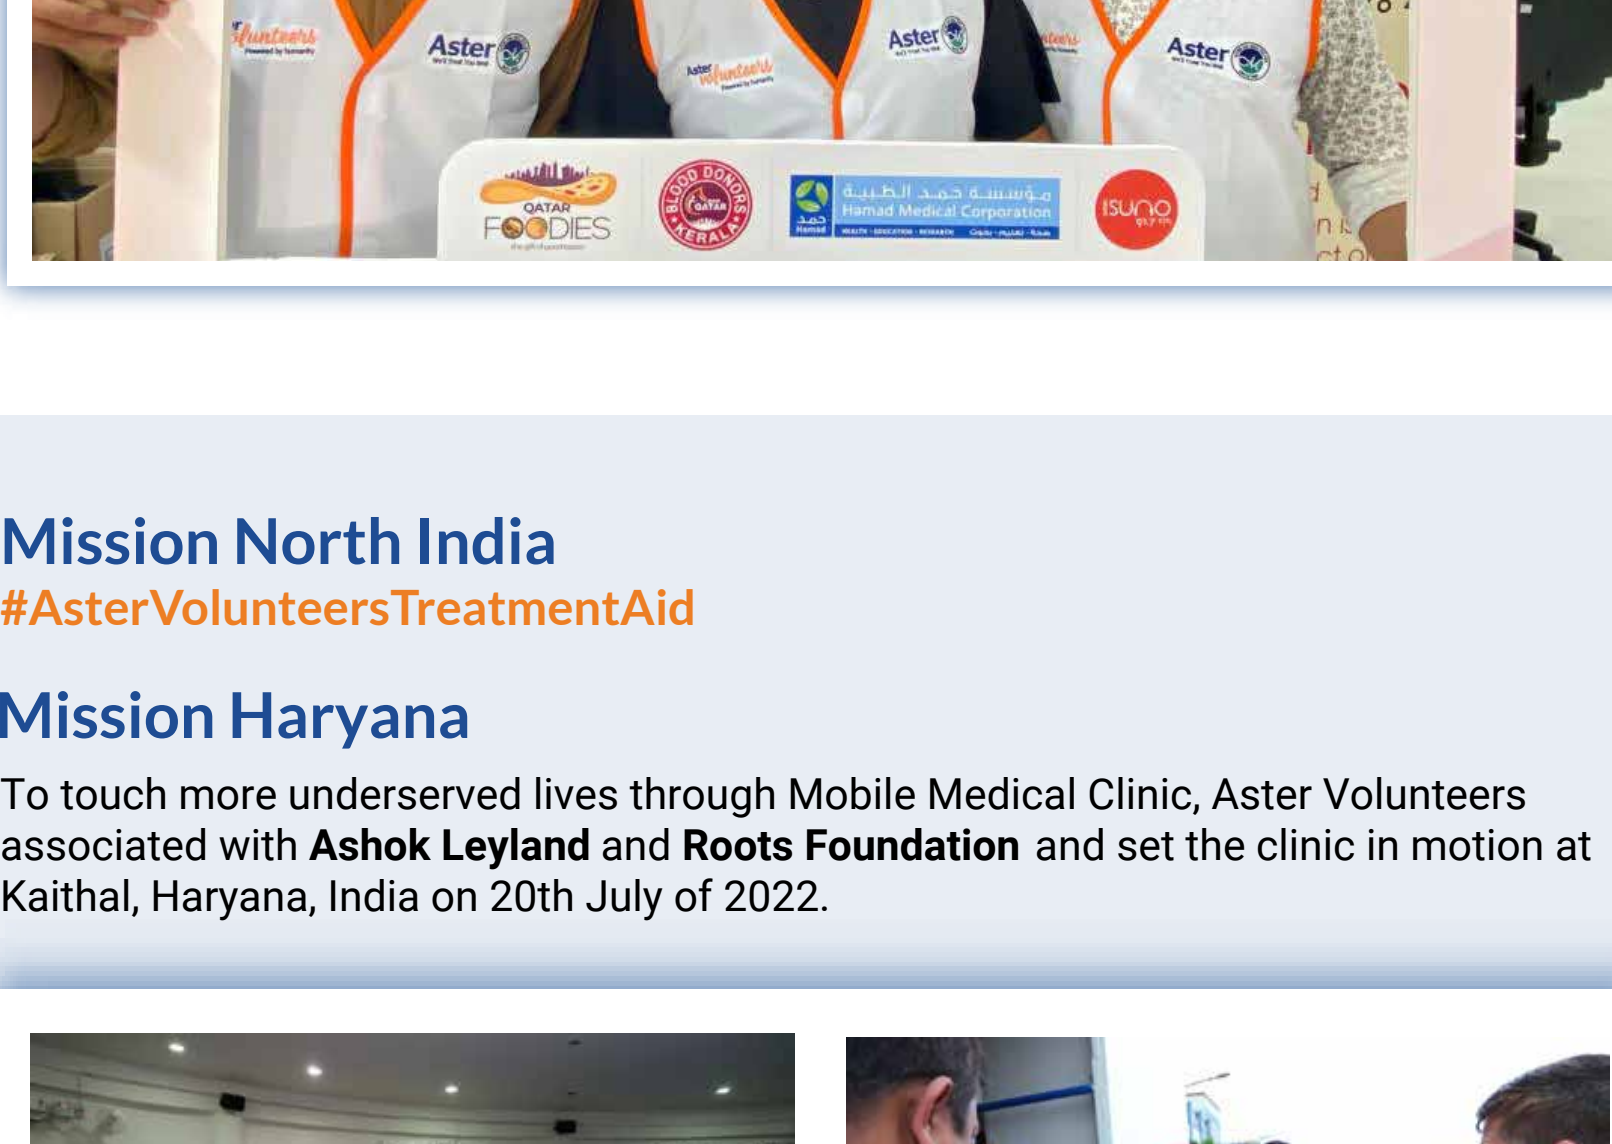

As a part of World Blood Donation Day, Aster Volunteers initiated blood donation camps across India & UAE to bring hope to distraught lives. The campaign urged people to donate blood and equip the healthcare system to deal with emergencies.

Many compassionate people made a difference by taking part in the blood donation camps organized by Aster Volunteers at Aster MIMS Kottakkal, Aster MIMS Calicut, Aster MIMS Kannur, Aster RV Hospital Bangalore, Aster CMI Hospital Bangalore, Aster DM WIMS Wayanad, Aster Medcity Kochi, Aster Aadhar Kolhapur, and Aster Sanad Saudi Arabia.

Aster Prime Hyderabad also conducted regular checkups along with Blood Donation Camps which saw 45 beneficiaries. Aster Volunteers Qatar organized a mega health checkup camp which successfully screened over 350 people. 120 volunteers offered their support to the campaign by donating blood. The donation camp organized by Aster Volunteers UAE at Aster Hospital Mankhool and Medcare Hospital, Al Safa received 55 and 37 blood donations. We thank the diligent efforts of our volunteers who executed the event smoothly and the compassionate donors who made the event successful.

Mission North India

#AsterVolunteersTreatmentAid

Mission Haryana

To touch more underserved lives through Mobile Medical Clinic, Aster Volunteers associated with **Ashok Leyland** and **Roots Foundation** and set the clinic in Kaithal, Haryana, India on 20th July of 2022.

Mission Rajasthan

On 22nd July of 2022, in association with the **Govt. of Rajasthan**, **Ashok Leyland** and **Roots Foundation**, Aster Volunteers set out one more Mobile Medical Services unit in Railmagra to bring health to more people at their doorsteps.

Mission Barmer

Aster Volunteers launched Mobile Medical Unit on 28th July of 2022 at Barmer. In this new roadmap of serving underserved people, Aster Volunteers partnered with the **Human Welfare Foundation**, **Roots Foundation**, and **Ruma Devi Foundation**.

Care On Wheels

#AsterVolunteersTreatmentAid

Since the start of this initiative, Aster Volunteers Mobile Medical Services has been able to knock on the doors of many underserved people and extend arms of support to them. Even during the most challenging times, Aster Volunteers Mobile Medical Services has surpassed boundaries to bring kindness and hope to humanity.

In the months of June and July, AVMMS set up **1,209 camps** across countries and helped **89,559 people** to ride a promising journey towards good health.

Making Miracles Happen

#AsterVolunteersTreatmentAid

Our core values run on the belief that every human or child in this world has the right to proper healthcare. We always come forward to offer our help to those who can't afford advanced medical services and help them see a new vigour in life.

The treatment which is provided on a monthly basis has conducted around **80 lakhs INR** worth of surgeries, benefitting **612 under privileged people** in the months of June & July to see a new lease of life.
