

Aster Volunteers runs on the core belief to bring interested people under one platform and serve as a bridge of hope between the able and the underprivileged. In this journey of **6 years**, we have served people through medical and non-medical aids. With just **55,000+ volunteers**, so far we have impacted the lives of over **4 million+ people** from underserved communities.

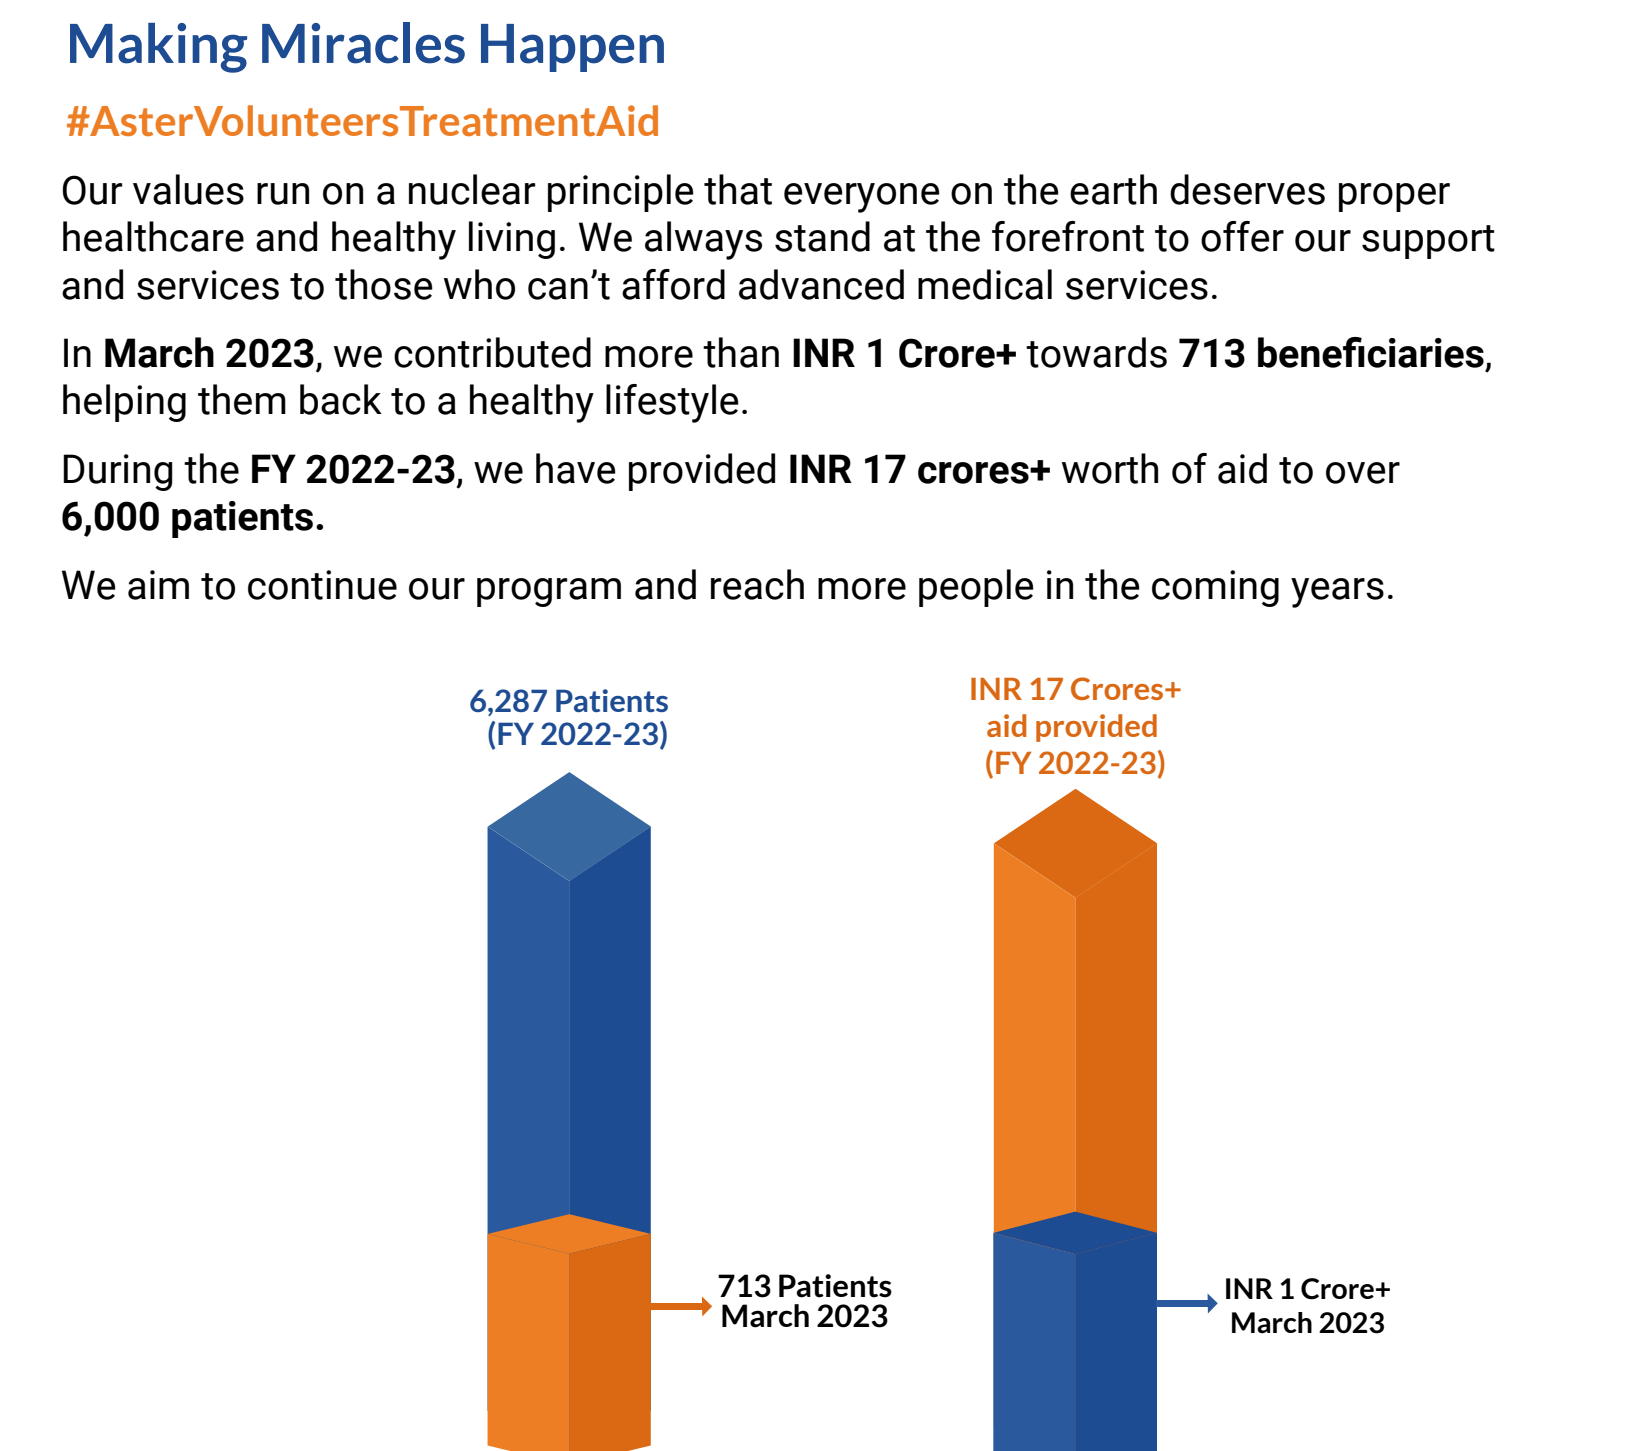

We thank all of you for your committed support to achieve our dream of serving more than **4 million+ beneficiaries** in total. We're only getting started and we will not stop until we impact every last of them.

Care on Wheels

#AsterVolunteersAid

Aster Volunteers Mobile Medical Services (AVMMS) conducted **4,225 camps** across geographies and helped **364,325 total** numbers of beneficiaries during the **FY 2022-23** ending on 31st March.

The service aims to reach the underserved sections of society with quality healthcare accessible to their doorsteps for free and bring happiness into their lives.

Making Miracles Happen

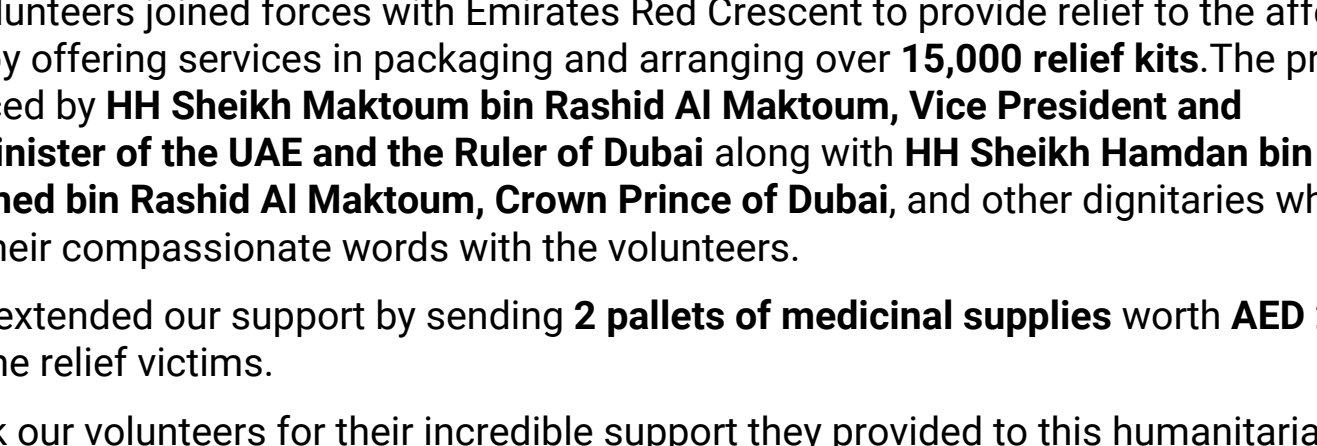

#AsterVolunteersTreatmentAid

Our values run on a nuclear principle that everyone on the earth deserves proper healthcare and healthy living. We always stand at the forefront to offer our support and services to those who can't afford advanced medical services.

In **March 2023**, we contributed more than **INR 1 Crore+** towards **713 beneficiaries**, helping them back to a healthy lifestyle.

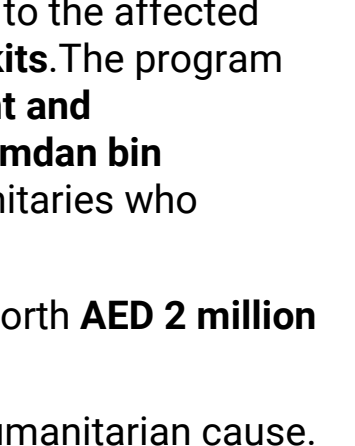

During the **FY 2022-23**, we have provided **INR 17 crores+** worth of aid to over **6,000 patients**.

We aim to continue our program and reach more people in the coming years.

Celebrating the superheroes of every home

#Diva3.0 #AsterVolunteersBelong

On the occasion of International Women's Day 2023, Aster Volunteers conducted the **DIVA3.0** initiative across geographies to encourage women from underprivileged communities. DIVA is an initiative by Aster Volunteers to celebrate womanhood.

This year, the program's third edition embraced **equity and equality** to bring women to the forefront of society. The activations were organized across geographies. Everyone from the Aster family came together and participated in various activities.

Extending our helping arms to disaster-struck countries

#AsterVolunteersforTurkey&Syria #AsterVolunteersAid

As what was witnessed by Turkey and Syria is said to be the most anguishing natural catastrophes of recent times, the series of earthquake brought the countries to a standstill. Buildings collapsed and many lost lives.

Aster Volunteers joined forces with Emirates Red Crescent to provide relief to the affected victims by offering services in packaging and arranging over **15,000 relief kits**. The program was graced by **HH Sheikh Maktoum bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and the Ruler of Dubai** along with **HH Sheikh Hamdan bin Mohammed bin Rashid Al Maktoum, Crown Prince of Dubai**, and other dignitaries who shared their compassionate acts with the volunteers.

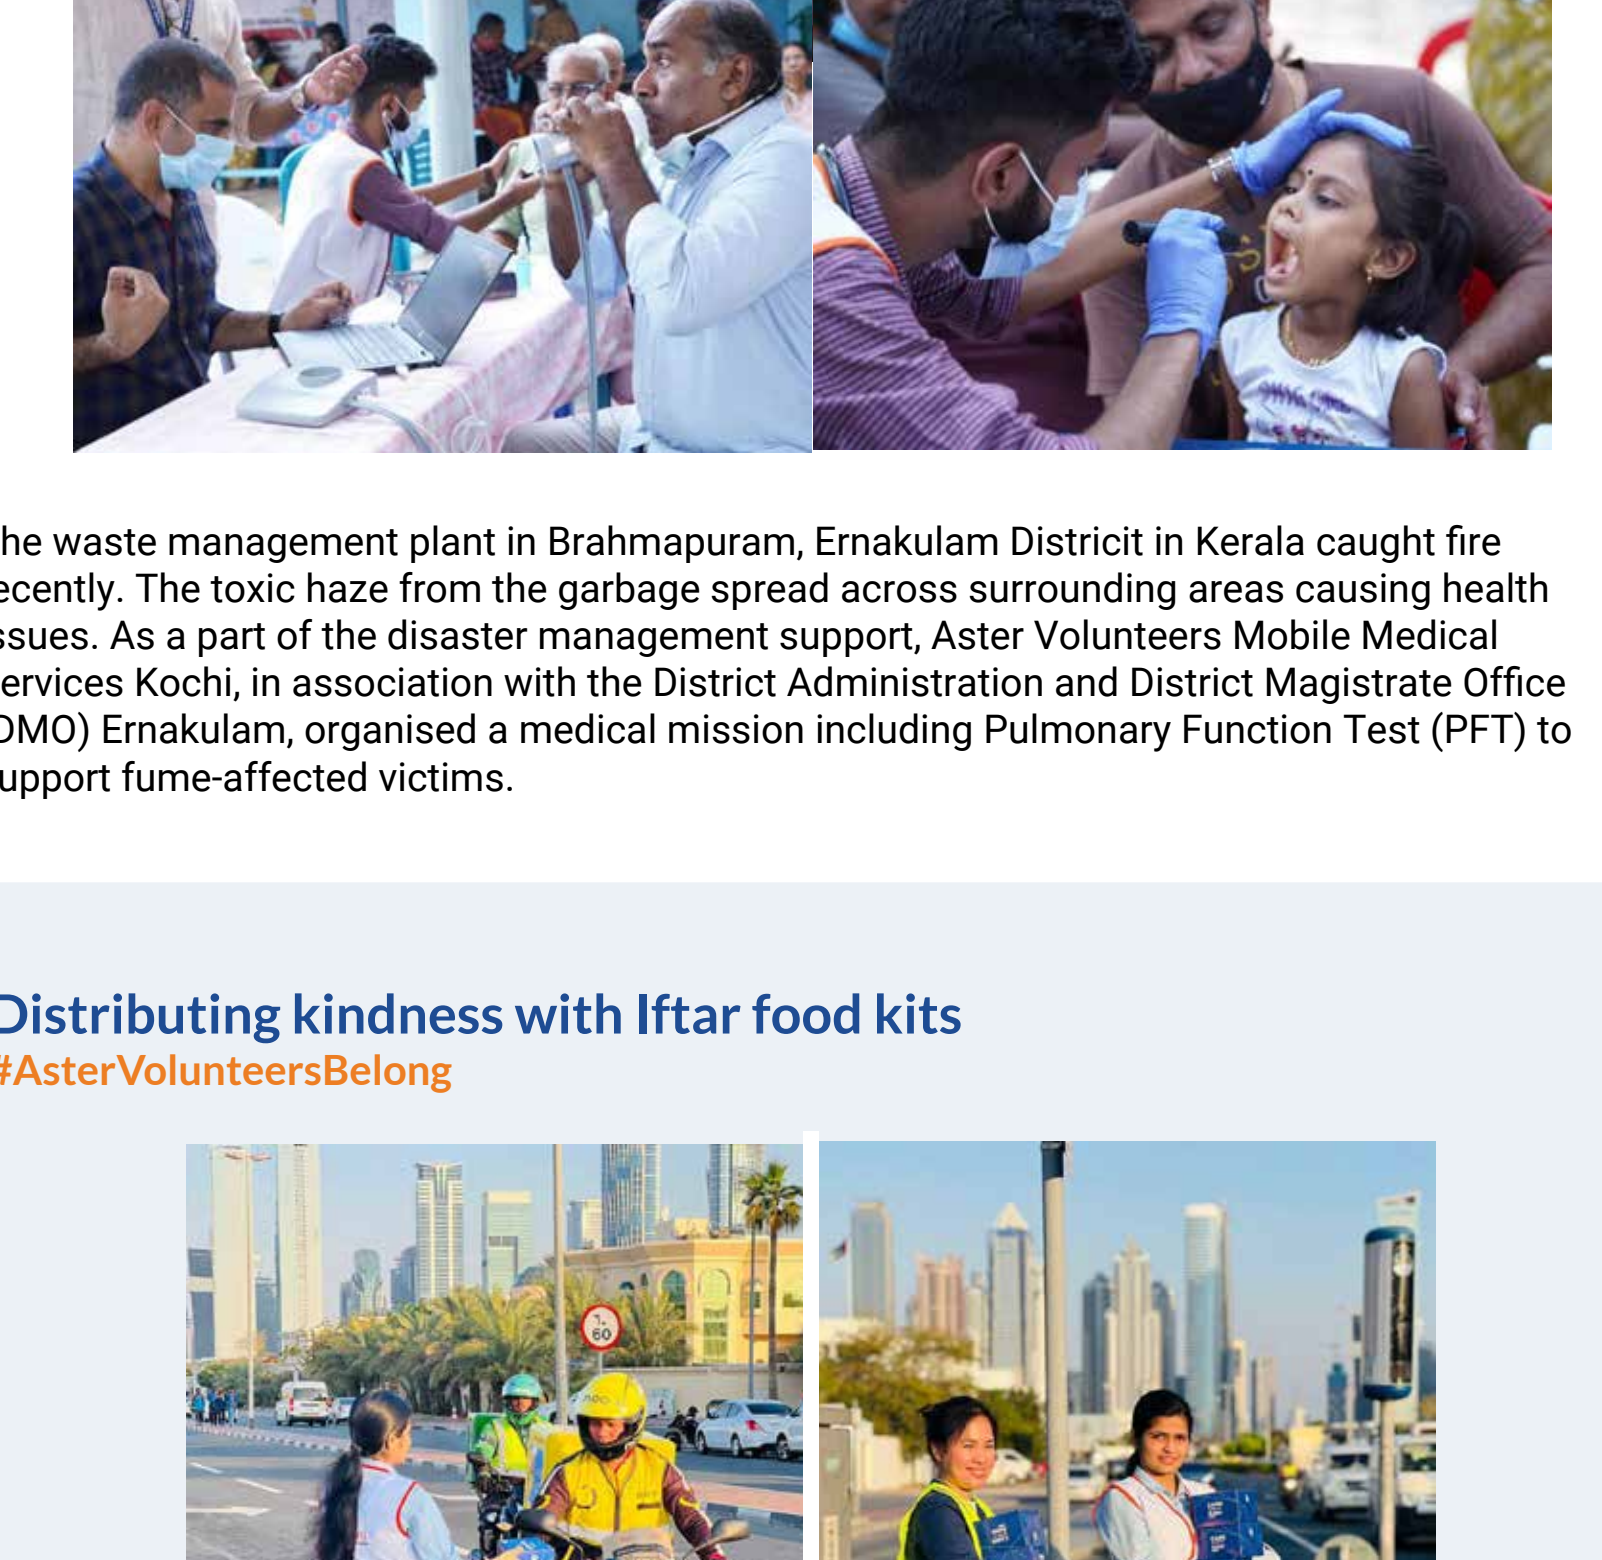

We also extended our support by sending **2 pallets of medicinal supplies** worth **AED 2 million** sent to the relief victims.

We thank our volunteers for their incredible support they provided to this humanitarian cause.

Thanking our partners with the same vision

Aster Volunteers Annual Stakeholder Meet 2023

Aster Volunteers extended its appreciation and gratitude to its CSR partners for the commendable selfless acts they have been involved in various developmental issues such as Healthcare, Environment, Education & Social Empowerment of underprivileged communities for the past several years.

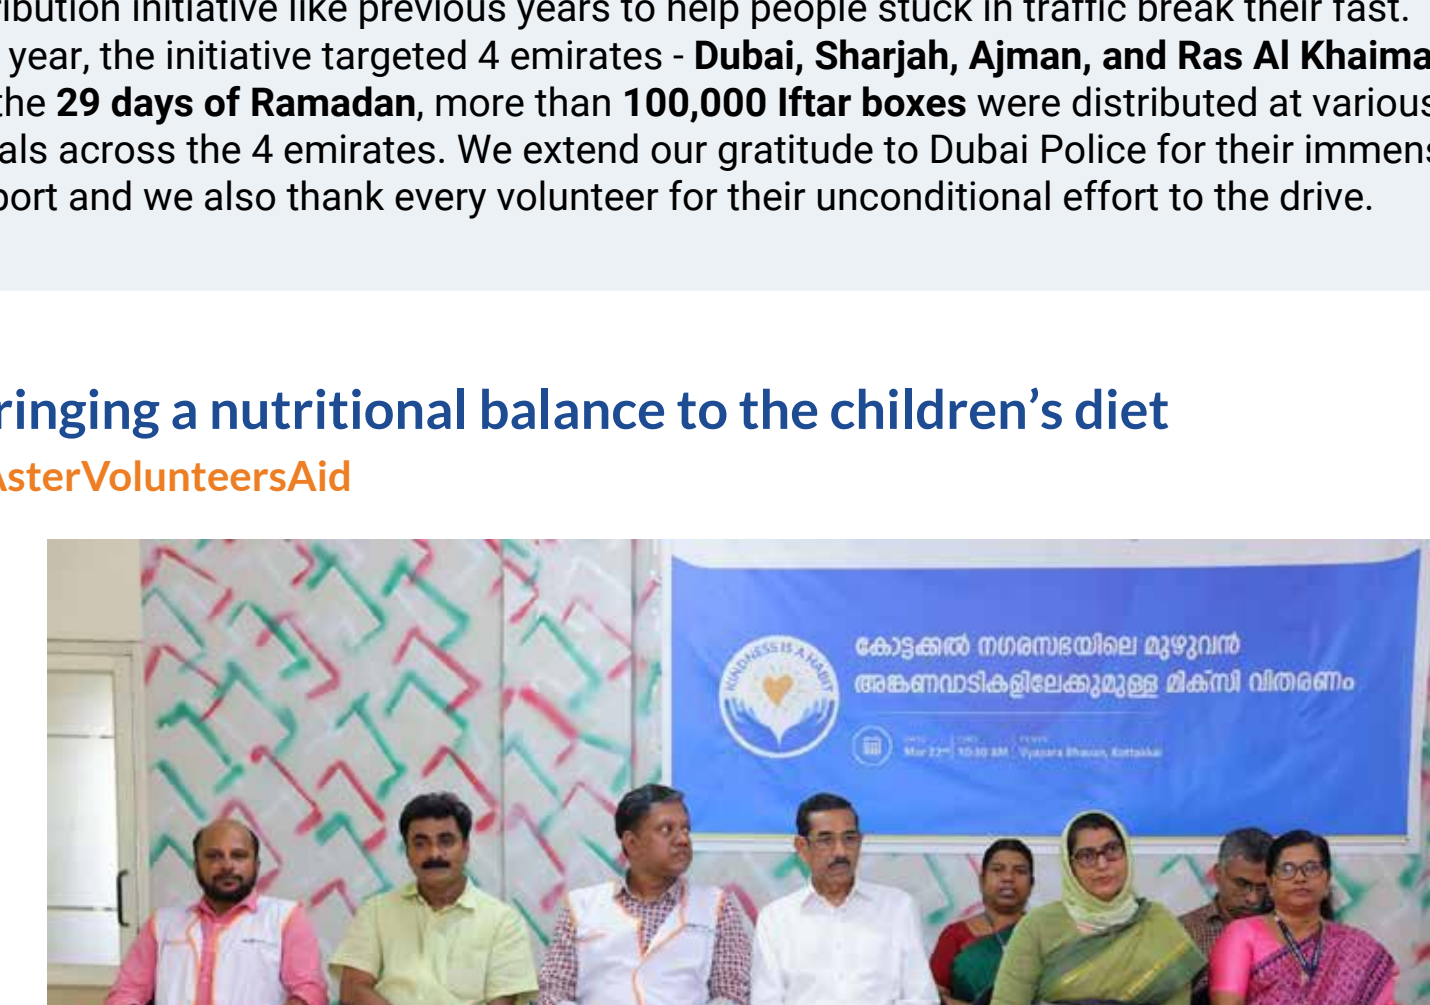

The annual CSR event was organized on 18th March 2023 in Dubai at the Auditorium of Credence School, Al Quoz. **Dr. Azad Moopen, Chairman & Managing Director of Aster DM Healthcare**, addressed the event by thanking some of the CSR project partners for their immense efforts and contributions towards humanity.

The event also had the presence of dignitaries like:

Rev. Fr. Davis Chiramel - Founder of the Accident Care and Transport Service (ACTS) & the Kidney Federation of India, Shri. Adoor Prakash, Member of Parliament - Lok Sabha, P M Aboobacker, Chairman - Peace Valley and Dr. V Idress, Chairman - Thanal.

Cementing our vision on a bigger humanitarian platform

#DIHAD2023

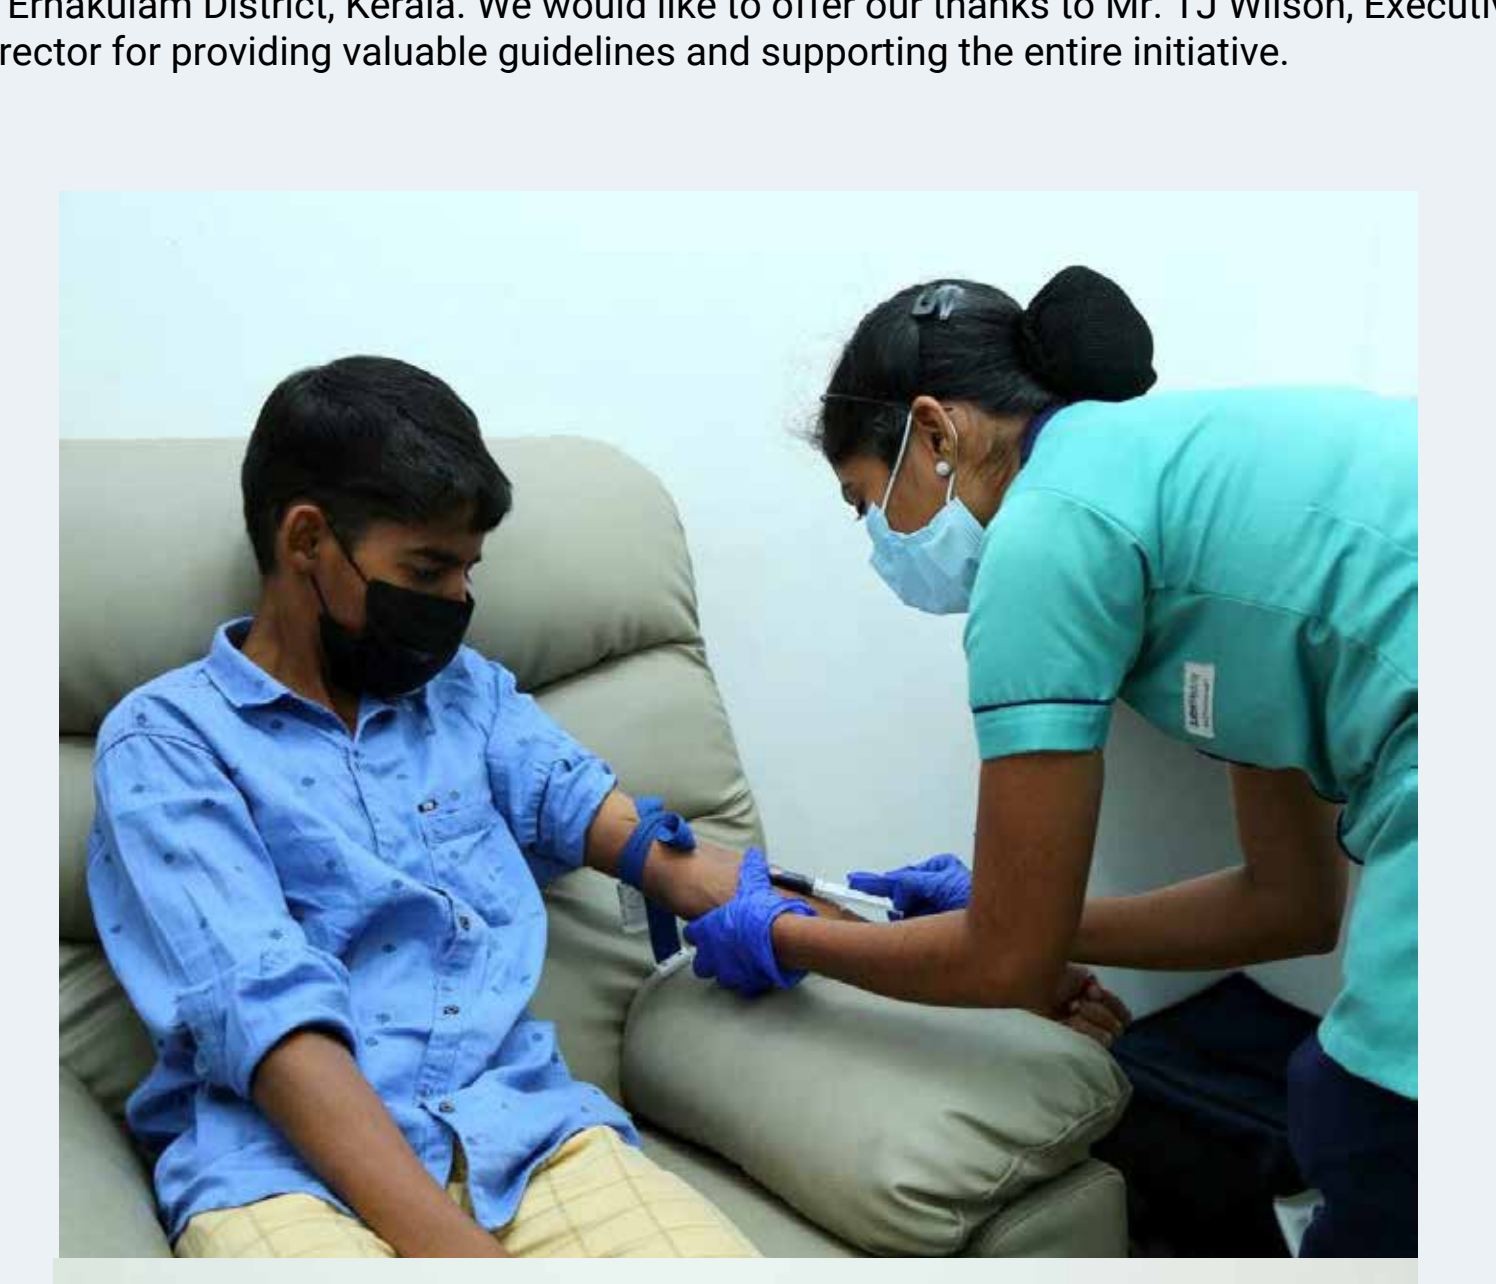

Aster Volunteers recently participated in the 19th edition of the **Dubai International Humanitarian Aid and Development Conference and Exhibition (DIHAD)**.

DIHAD is a sustainable humanitarian platform that brings NGOs, UN Agencies, Charitable Organisations, and Government bodies under one roof for the welfare of humanity.

We participated in the event to exhibit our services and receive inspiration from the like-minded. Meeting new people and organizations has empowered Aster Volunteers with a renewed spirit to strive for an equal world for all.

Medical Service to Kochi fire disaster victims

#AsterVolunteersTreatmentAid

The waste management plant in Brahmapuram, Ernakulam District in Kerala caught fire recently. The toxic haze from the garbage spread across surrounding areas causing health issues. As a part of the disaster management support, Aster Volunteers Mobile Medical Services Kochi, in association with the District Administration and District Magistrate Office (DMO) Ernakulam, organized a medical mission including Pulmonary Function Test (PFT) to support fume-affected victims.

Distributing kindness with Iftar food kits

#AsterVolunteersBelong

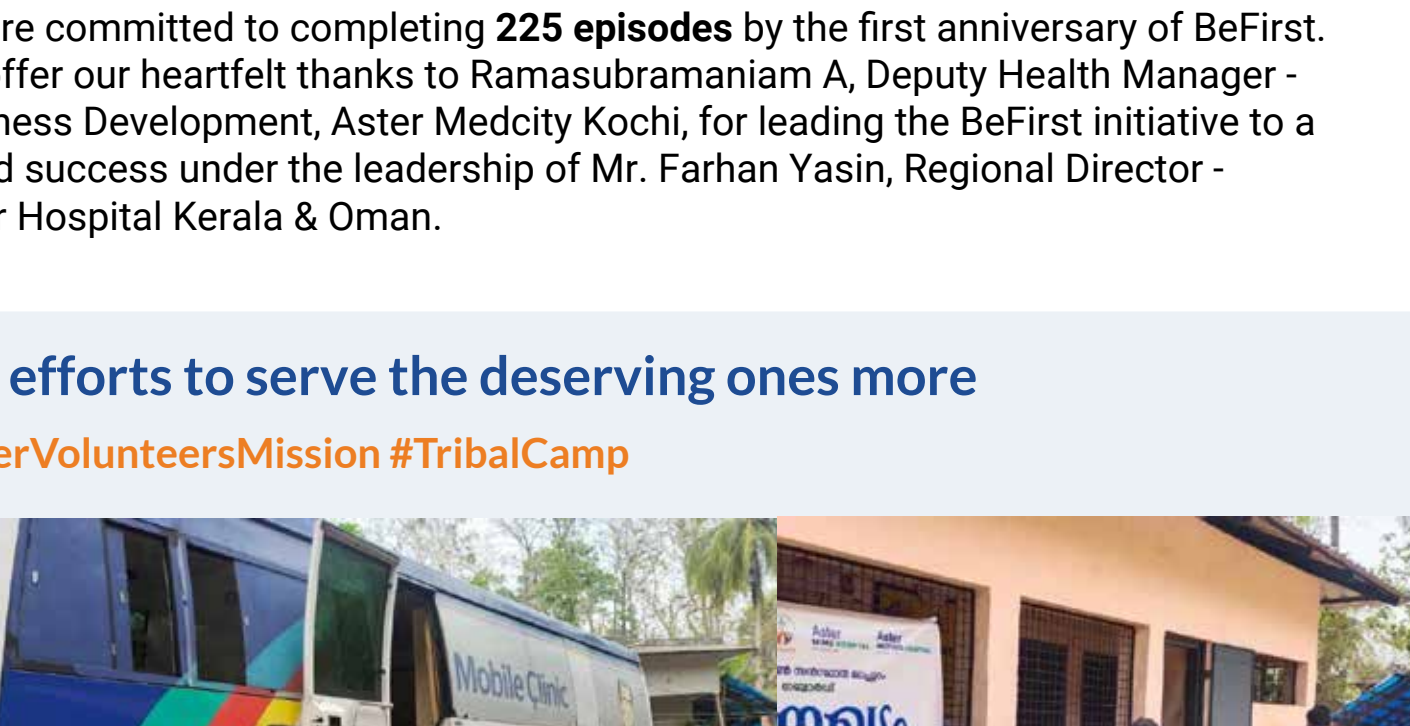

As a part of the Kindness is a Habit initiative, for the month of April and the Holy Ramadan, Aster Pharmacy, along with Aster Volunteers and Dubai Police, continued the Iftar food kit distribution initiative like previous years to help people stuck in traffic break their fast.

This year, the initiative targeted 4 emirates - **Dubai, Sharjah, Ajman, and Ras Al Khaimah**. For the **29 days of Ramadan**, more than **100,000 Iftar boxes** were distributed at various signals across the 4 emirates. We extend our gratitude to Dubai Police for their immense support and we also thank every volunteer for their unconditional effort to the drive.

Bringing a nutritional balance to the children's diet

#AsterVolunteersAid

For the wellbeing of children, Aster MIMS Kottakkal ensured nutritious food for children by donating **38 mixer grinders** to the Anganwadis in Kottakkal municipality. Mr. Ahamed Moopen, the Director of Aster MIMS handed over the mixer grinder to the respective teachers. Dr. Hari PS (Chief Medical Officer - Aster MIMS Kottakkal), Mr. Mohammed Haseem (Manager - MIMS Charitable Trust), Ms. Bushara Shabeer (Chairperson - Kottakkal Municipality), Mr. KK Naser (Ex-Chairman - Kottakkal Municipality) and other social and political leaders graced the event. A total participation of more than 100+ ICDS members, Kundumashree and Asha workers were present at the function.

Aster Volunteers joins the forces to eradicate Tuberculosis (TB)

#AsterVolunteersAid

Aster Volunteers pledged to the National TB Eradication campaign launched by the Prime Minister's Office India. The program aims to remove TB cases from India by 2025. Generally, children are the primary contacts sputum positive TB patients.

As a support to the initiative, in association with the TB eradication department of the Government of Kerala & Aster Labs Kerala, Aster DM Foundation will provide TB screening IGRA (Interferon Gamma Release Assay) free of cost to **500 children** aged between 5 and 15 at Ernakulam District, Kerala. We would like to offer our thanks to Mr. TJ Wilson, Executive Director for providing valuable guidelines and supporting the entire initiative.

BeFIRST - To Aid & Save Lives

#AsterVolunteersCoach #BLSAwarenessTraining

To bring more discipline and engagement to the Basic Life Support (BLS) activities, Aster Medcity Kochi partnered with Rotary and Panchayats across Kerala to launch the BeFirst initiative on 13th August 2022.

As a part of the campaign, a 7-day long roadshow called Jeevitham covering 8 districts, and 45 locations in Kerala was successfully conducted. Recently we also celebrated our **100th BeFirst session**. From the start of the initiative, we have trained over **12,500 people** to be ready for immediate help during times of emergency.

We are committed to completing **225 episodes** by the first anniversary of BeFirst. We offer our heartfelt thanks to Ramasubramaniam A, Deputy Health Manager - Business Development, Aster Medcity Kochi, for leading the BeFirst initiative to a grand success under the leadership of Mr. Farhan Yasin, Regional Director - Aster Hospital Kerala & Oman.

Our efforts to serve the deserving ones more

#AsterVolunteersMission #TribalCamp

Aster Volunteers Mobile Medical Services Thamarassery partnered with Aster MIMS Charitable Trust and Benny & Sherry Foundation, in association with Aster MIMS Calicut, Aster Mother Areekode and Jan Shikshan Sansthan in Malappuram initiated a 3 days medical camp for the Pediatric and the general population of the tribal community at Peruvampadam Tribal Colony, Nilambur, Malappuram district.

The camp was led by Dr. Niyas (RMO - Aster MIMS Calicut), Dr. Anagha (RMO - Aster MIMS), and Dr. Farhana (Ophthalmology - Aster Mother Areekode) which provided care and medical assistance to **260 beneficiaries**.
