

### Aster Volunteers for Morocco

#AsterVolunteersDisasterAid

Marrakech, the capital of Morocco, recently endured a calamity resulting in widespread devastation. The catastrophic earthquake that struck claimed the lives of over **1300 individuals** and left an untold number injured. In response to this tragedy, Aster Volunteers acted swiftly, answering the urgent call for assistance. Their initial assessment of the aftermath enabled them to effectively coordinate with local authorities and various non-governmental organizations (NGOs).

The volunteer team on the ground played a pivotal role by providing crucial first aid and medical support to the injured, as well as distributing nutritious food and clothing to the survivors.

Volunteers set up camps in the affected areas such as Taroudant and Chatbal, reaching out to aid more than **600 survivors**. We extend our deepest gratitude to our on-ground support partner for their invaluable assistance during this challenging time.

### Jute Bag Distribution for a greener tomorrow

#AsterVolunteersBelong

Aster DM Healthcare takes pride in its commitment to a healthier planet. As part of this endeavor, Aster Volunteers distributed eco-friendly jute bags to a total of **30,000 employees** spanning seven countries, including the top management of the organization. These bags prominently bear the message "**Kindness is a Habit**," encouraging individuals to cultivate a habit of kindness towards our planet. We believe that this initiative will make a substantial contribution to reducing single-use plastic and advancing a more sustainable future. Together, let's work towards healing our planet.

### Laptop Distribution by Aster MIMS Calicut

#AsterVolunteersAid

Aster Volunteers in partnership with the Moopan Institute for Local Empowerment (MILES) in Kalpakanchery and with the generous support of the National NGO Confederation, distributed **20 valuable HP laptops** to deserving students. Each laptop is valued at 40,000 rupees, and thanks to the National NGO Confederation's contribution, covering 50% of the cost, these laptops are now within reach of those students who truly need them.

The program was inaugurated by Mr. P. Ubaidullah, MLA of the Malappuram Constituency. But that's not all – in addition to the laptops, students also received backpacks to support them on their educational journey.

We were pleased to have officials from the National NGO Confederation join us for this special occasion, including Mr. Ananthukrishnan, Aster Volunteers Malabar Lead, Muhammad Haseem KV, and Miles Administrator Ashkar Ali Kokkarattil, along with other dedicated district leaders.

Our mission is crystal clear: to empower students through digital transformation, equipping them for a promising and bright future.

### 3-Day Mega Medical Camp by Aster CMI Hospital Bangalore

#AsterVolunteersTreatmentAid

Aster Volunteers from Aster CMI Hospital Bangalore collaborated with Jangama Foundation and the Karnataka Photographers Association to organize a 3-day Health Camp during Digi Image 2023. This health camp, which was set up from September 7th to 9th, offered a range of complimentary services; including general checkups, height and weight measurements, blood pressure and GRBS assessments, as well as free eye checkups and consultations with a general physician.

We are pleased to report that approximately **1200 individuals** benefited from this event, and the participants' response was exceptionally positive and vibrant. Delegates from various districts of Karnataka actively participated in this event. The favorable feedback received from the participants further confirms the impact and success of this initiative.

### Mega Plantation Drive by Aster RV Hospital Bangalore

#AsterVolunteersBelong

A saplings plantation event was organized as part of the '**Kindness Is A Habit**' Campaign at the Miyawaki Forest in Ramanagar. This event was a collaborative effort between Toyota Kirloskar Auto Parts Pvt Ltd, Aster RV Hospital, and Aster Volunteers Bangalore, and it took place near the Ramnagar Forest. Approximately **700 Toyota employees** and their family members, along with Aster RV and Aster Volunteers; joined forces in association with the Ramanagar Forest Department to participate in this initiative. A total of around **1000 saplings** were planted during the event.

Dr. Naveen and Mr. Kalleth (HR Toyota Kirloskar) extended a warm welcome to all the participants. Mr. Ashok (Forestry Department), the Head of the Department, delivered a compelling message highlighting the significance of tree plantation as a crucial endeavor to protect the environment, combat soil erosion, improve air quality, and preserve vital water resources for future generations. He emphasized the importance of collective efforts in reducing the greenhouse effect.

### Care on Wheels

#AsterVolunteersMobileMedicalService

Aster Volunteers Mobile Medical Services (AVMMS) conducted **564 medical camps** across geographies and reached out to **55,721 beneficiaries** in **September 2023**.

The objective of this service is to provide quality healthcare to underserved segments of society and enhance their well-being and happiness.

### Making Miracles Happen

#AsterVolunteersTreatmentAid

At the core of our values is the conviction that every child deserves proper healthcare and a life of well-being.

We consistently take the initiative to provide assistance and allocate resources to those who struggle to obtain high-quality medical support. In **September 2023**, we donated **INR 48,60,000** towards the Aster Volunteers Treatment Aid, benefiting **564 individuals**.

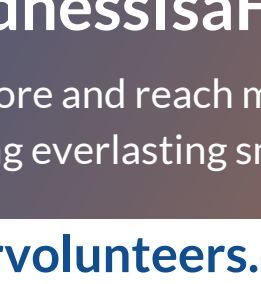

### Awareness Sessions on Volunteering by Aster DM Foundation

#AsterVolunteersCocah

Aster DM Foundation, in collaboration with Aster Medcity Kochi, organized a lecture and interactive session on the subject of volunteering at Union Christian College (UC), Aluva. The lecture was delivered and led by TP Seetharam IFS, our CSR India Head. This event was well-received, drawing the participation of over **100 students and teachers** from the college.

As a result of this initiative, we have successfully enrolled all the participating students as external volunteers. We have also secured their commitment to actively participate in and contribute to the community intervention programs conducted by Aster Volunteers.
